

Dispositif d'Appui à la Coordination

Charente

Facilitate the HEALTHCARE
PATHWAY

Preserve AUTONOMY

- To stay at home
- To support your relatives and carers
- To coordinate your healthcare pathway

Talk to your doctor or contact
directly the DAC Charente (Dispositif
d'Appui à la Coordination)

Only one phone number

0809 109 109

price of a local call

From Monday to Friday 9 AM to 5 PM

Free service

www.dac-16.fr

You can directly contact

the coordination support
structure, DAC Charente to:

- **Search for professionals and services based on your needs** (doctors, nurses, home autonomy services, home meals deliveries, user associations ...)
- **Ask for a professional to assess your needs** and identify the corresponding solutions
- **Be helped to find facilities** (nursing home, temporary accomodation, family accomodation ...)
- **For carers, to benefit from assistance and relief** (support groups, respite care and breaks, discussion groups ...)
- **Be oriented towards preventive actions** (memory workshops, preventing falls, physical activities, educational therapy, devices to detect fragilities ...)

The actions taken following your call are carried out with you, your doctor and the professionals around you

With the support of

www.dac-16.fr

Professionals all over the department to help you
